- Orion**—A big flower, rose pink with red eye, \$2.50 and \$3.50.
- Polar Bear**—F.C.C. A fine white, very late flowering in July and August, big plant with large leaves, strongly scented, \$2.50 and \$3.50.
- Scandinavia**—F.C.C. A very good scarlet crimson red, \$2 and \$3.
- Tessa**—A.M. Very early blooming upright growing plant somewhat like Praecox but with nice pink flowers, \$2.50 and \$3.50.
- Toreador**—A.M. Dark red, nice truss, \$2.50 and \$3.50.
- Vanessa A Form**—Rich pink funnel shaped flowers with red throat, \$2.50 and \$3.50.
- Yvonne var. Opaline**—Grows quite tall, nice trusses of large pale pink flowers, \$2.50 and \$3.50.

## RHODODENDRONS

### Species

**Augustinii**—Exbury form—One of the very nice forms of this species, large deep blue mauve flowers with dark eye, \$2 and \$3.

**Augustinii var. Marine**—A deep blue from the Barto collection which recently won a blue ribbon at the Portland show, \$2 and \$3.

**Augustinii var. Summer Skies**—A fine light blue from the Barto collection, \$2 and \$3.

**Burmanicum**—Seedling from the U. of C. plant described in the A.R.S. Bulletin, yellow, \$2.50.

**Desquamatum**—Mauve spotted flowers. From a selected Barto plant which flowers very heavily and is a good color, \$2.

**Eximium**—A tree rhododendron of the Falconeri series, very attractive foliage, small plants only, \$3.

**Micranthum**—A small bush with small white flowers resembling spiraea, \$2.

**Smirnowi**—Very hardy, attractive foliage, purplish-rose flowers, \$2.50.

**Spinuliferum**—Upright growing shrub with brick-red flowers resembling firecrackers, \$2.50.

**Xanthocodon**—A.M. A slender shrub or small tree with pale green leaves, cream-yellow bell shaped flowers, \$2.50 and \$3.50.

**Xanthostephanum**—Small bright yellow flowers, the best yellow color we have seen in a rhododendron, upright growing shrub, may be somewhat tender but has grown nicely outside here since 1951, from the Dr. Rock collection, \$2.50.

### DWARF AND ROCKERY RHODODENDRONS

#### Hybrids

**Adrastia**—Low-growing and spreading, dark pink bells, \$3.

**Conemaugh**—Low-growing, heavy bloomer, pink, \$2.

**Cunninghams Sulphur**—Low and compact, cream-yellow, \$2 and \$3.

**Devonshire Cream**—A very compact and rounded low shrub with nice cream flowers marked red, neat truss, \$3 and \$4.

**Ethelred**—Crimson flowers, low and compact, \$2.50 and \$3.50.

**Fabia var. Roman Pottery**—Pale orange, \$2 and \$3.

**Jaipur**—A low, spreading repens hybrid with crimson flowers, \$2.50 and \$3.50.

**Leda**—Low growing, orange bells, \$2.50.

**Little Ben**—A fine repens hybrid for the rock garden, deep red flowers, \$2.50 and \$3.50.

**Little Bert**—Another nice repens hybrid which grows a little taller, deep red flowers, \$2.50 and \$3.50.

**Little Joe**—Another fine rockery plant with deep red flowers. A repens hybrid, \$2.50 and \$3.50.

**Nymph**—repens x Largo, \$2.50 and \$3.50.

**Praecox**—A.G.M., blooms very early and covers itself with lilac-pink flowers, upright growing, \$2 and \$3.

**Racil**—A fine low growing rockery plant with apple blossom pink flowers, \$2.50 and \$3.50.

**Sperabile cross**—A low growing, spreading unnamed cross out of Sperabile. It literally covers itself with bright red flowers in early spring, \$2.50 and \$3.50.

**Thomwilliams**—Handsome rounded leaves, deep pink flowers, \$2.50 and \$3.50.

**Vega**—Fabia x hematodes, \$2.50 and \$3.50.

**Wilbar**—Williamsianum x Barclayi, \$2.50 and \$3.50.

## DWARF AND ROCKERY RHODODENDRONS

### Species

**Calostrotum**—Raffill form. Small shrub up to 1 foot with bright magenta-purple flowers, \$2.50 and \$3.50.

**Cremastum**—Small shrub with rose-purple flowers on long flower stalks, \$2 and \$3.

**Didymum**—A 2 to 3 foot shrub with deep black-crimson flowers, \$3.50 and \$4.50.

**Drumonium**—Small shrub about 1 foot high with mauve flowers, \$2 and \$3.

**Litangense**—Dwarf shrub about 2 foot high with plum-purple flowers, \$2 and \$3.

**Neriiflorum**—A four star specie, low growing and spreading with bright scarlet flowers, very free flowering, \$2.50 and \$3.50.

**Spiciferum**—A low-growing spreading shrub which forms a mat, heavy blooming with pink flowers, \$3 and \$4.

## SHRUBS, TREES, VINES AND GROUND COVERS

**Acer Burgundy Lace**—A dwarf Japanese maple, low growing with the darkest red leaves of all, \$3 and \$4.

**Acer Dissectum**—A dwarf, shrubby tree with very attractive habit of growth, blood-red finely cut leaves, \$3 and \$4.

**Acer Ginnala**—The Amur Maple, small shrub or tree, small dark-green leaves, scented white flowers, brilliant fall foliage, \$1.50 and \$2.50.

**Cornus Capitata**—An evergreen dogwood which grows to a large tree, small plants only, \$1.50.

**Franklinia alatamaha**—A beautiful small tree up to 30 feet, creamy cup-shaped flowers in late summer, brilliant autumn foliage, \$2.50 and \$3.50.

**Styrax Japonica**—The Snowdrop Tree, small tree up to 10 feet or more, pointed oval leaves, hanging five-petalled flowers, \$1.50, \$2.50 and \$3.50.

**Cotoneaster Conspicua**—Very low, spreading growth. Small deep green rounded leaves, bright orange-red berries, \$2.

**Viburnum Davidii**—Low, compact rounded shrub, bright-blue berries and small white flowers, \$1.50, pollinizer \$1.50.

**Actinidia Kolomikta**—A wonderful foliage vine. Large leaves are variegated when plant becomes three or four years old. Rare and quite scarce, \$3.50 and \$4.50.

## GROUND COVERS

**Cornus Canadensis**—Dwarf ground cover with miniature white typical dogwood blossoms, \$1.75.

**Gaultheria Humifusa**—Cushion-forming evergreen shrub to 4 inches, white flowers, bright scarlet fruits, \$1.75.

**Gaultheria Miquelianana**—Very dwarf and spreading ground cover, apple-green foliage, sprays of clear white flowers, large white fruits, \$1.50.

**Gaultheria Procumbens**—Fine ground cover in sun or shade. Dark green leaves turning reddish bronze in fall, white flowers, brilliant scarlet berries, \$1.50.

**Vaccinium Vitis-idaea**—Forms compact mounds of shiny dark green leaves, about 4 inches high. Showy pinkish white flowers, bright red fruits, \$1.50.
